

<Please put the following on school letterhead>

## Homework Help Permission Form

(Please sign and return to the school)

To Parents/Guardians:

The Ministry of Education is providing access to free online after-school math tutoring for OCDSB students from grades 7 – 10 through the Homework Help website at **<http://homeworkhelp.ilc.org>**.

The Homework Help website is an interactive website through which certified Ontario teachers provide live math tutoring. The tutoring component of the website is available Sunday through Thursday from 5:30 pm to 9:30 pm. All other components of the website (i.e. the glossary, Best Sessions recordings, tutorials, and Listen and Learns) are available at all times. To access the live tutoring, students must create an individual user account by registering online. In order to obtain this account, students must provide their first and last names, a username, a password and an email address that will be used for password retrieval. Your son/daughter will only be identified by his/her username. Parents, guardians and teachers may also access this website and log in as guests to view the various tools and virtual classrooms that are available.

By signing below, I am indicating that I have read and understood this information about the Homework Help website and am giving my son/daughter permission to create a login account.

Date: \_\_\_\_\_

Parent/Guardian's Full Name: \_\_\_\_\_

Parent/Guardian's Signature: \_\_\_\_\_

Please note that a student who does not create a login account may still access the Homework Help website as a guest; however, he/she will not be able to participate in the live tutoring.
